

# FAIR START SCOTLAND

Fair Start Scotland is here to support you, to find the job, that is right for you.

There are lots of people who want to work but find it difficult based on their circumstances and here at PeoplePlus we have a lot of experience supporting people back into work by helping to break down the barriers that might be stopping you from working.

**We can help with you things such as:**

- Creating a CV or building on an existing CV
- Preparing you for interviews
- Helping you to learn new skills and gain new qualifications
- Finding jobs which meet your individual needs

It's **FREE**, voluntary, offers tailored support for up to 12 months before and after you begin work and does not affect any benefits.
